## Corporate & Business Memberships now available

Dear

### The Cairns Jockey Club needs your assistance urgently!

You may be aware that Queensland Racing has advised that they will accept \$300,000 in full settlement of the debt owed to them by the Cairns Jockey Club. This very generous offer represents a \$200,000 discount.

### But we have to pay the remaining \$300,000 within 60 days!

To repay the \$300,000, we desperately need your help in raising the money. So we have created some *extremely enticing Cairns Jockey Club Corporate and Business Memberships* that maximize benefits to members and help your club become debt free and financially secure for the future. And please remember Cannon Park is a multi purpose function venue that hosts a range of raceday and non raceday events throughout the year.

We are urging local businesses to take advantage of the benefits offered in our Corporate and Business Memberships.

Have you ever wanted to have a race named after your business? Well here's your chance.

Kind Regards
